**Personal Profile:**

As a dedicated child counselor, I specialize in providing emotional and psychological support to children and adolescents. My approach is centered on understanding and addressing the unique needs of each child, helping them navigate challenges such as anxiety, depression, behavioral issues, and trauma. I also utilize play therapy as a pivotal tool in my practice. Through play, children can express their feelings, explore their thoughts, and develop coping mechanisms in a safe and nurturing environment. My goal is to foster resilience, emotional growth, and healthy development, empowering children.
