**Personal Profile:**

Swati Jain is currently pursuing her Ph.D. in Early Childhood Development and is a UNESCO and CID certified creative arts therapist. She works with both children and adults using different modalities like play, art, movement, drama, writing and music. She address a range of issues which includes anger management, managing emotional disorders including anxiety, attention deficit hyperactivity (ADHD), learning and physical disabilities. Additionally, she uses play therapy in the

treatment of children whose challenges are pertaining to life stressors. She also works with adolescence issues and concerns, classroom management, time and stress management, anger management and sensitizing masses about diagnostic and intervention techniques for children with special needs.

Assistant professor of Psychology, interest also lies in content development and conducting workshops.
