Personal Profile:

I work at Renad Academy which is a school for autistic children in Qatar . I work as an instructional assistant.

My job is to help children in getting some education . I help the teacher in helping the kids to focus in circle time and table activities.I train children in also other social activities like help them how to eat: use of spoons, eat and use small portions while eating and drink water without pouring on their clothes. I help these children in toilet since I work with early years kids I teach them how to use toilet and how to depend on themselves slowly slowly . I help in changing there clothes when they are wet.

I help also with the behavior when they refuse to learn and do the activities . In these cases I make play sessions with the kids instead . I am also ready to help children get out during crisis and find remedy ways to appease them and get calmer without harming themselves . I do all these thing with a work team which is composed of two IA 's ,two teachers ,one speech therapist and one occupational therapist.
