**Currently undergoing supervision in current practice:** No

**Ages catered for:** Infants to 18years

**Services offered:**

Counselling/ therapies for behavioural and emotional issues. Counselling/therapies parents and children admitted to hospital.

**Personal Profile:**

Children experiencing various issues in life come to the hospital for checkups. It is very difficult for them to open up regarding their issues if and when they are able to make sense of them. Children on most occasions are not able to truly comprehend their emotions or act in accordance. This is where play therapy comes in. It's enables me to form a bond and helps the children to comprehend.
