**Personal Profile:**

Neha Tiwari is an Audiologist & Speech Language Pathologist by passion and an awareness evangelist by choice. For more than 21 years, she has been active in the Rehabilitation field through her work involving early identification, intervention, empowerment and raising awareness about communication disorders especially among children. Her focus on education for children with special needs, inclusion and sensitizing & training stake holders for the same has driven her to reach out to various schools and colleges across the country through offline and online mode. Childhood speech & language disorders, their identification through standardized assessment tools, training of teachers and parent partnership programs is her forte.
