Certified Therapeutic Play Practitioner for the Differently Abled

Details of any other relevant qualifications/courses taken in the field:

Currently undergoing supervision in current practice: No

Ages catered for: 7-13

Services offered: Play therapy through clay

Personal Profile:

I am a passionate educator for more than a decade. I believe that all young learners require a space to develop their identity and express themselves. I try to provide this through pottery. Clay therapy is relaxing and a perfect way to guide the child on various levels- physical, emotional, etc. Hands-on experience of clay provides a child a sense of connectedness and accomplishment.

Online guidance can be taken for student motivation and learning needs.
