Currently undergoing supervision in current practice:

Yes, under Lucy Bowen

Ages catered for: All age groups under the spectrum

Services offered: Play Therapy for Special Needs Children

Personal Profile:

I am a mother of a special needs child and have vast experience gained by working with my own child and watching many more families.

This past 1 ½ years I have been successfully giving play therapy sessions through Telepractice to children on the spectrum of various ages. I am able to see the children move from sensory play to functional play with the right guidance. My vision is to empower parents of special needs and guide them to help their children.
