Play Therapy Level 1

Details of any other relevant qualifications/courses taken in the field:

Currently undergoing supervision in current practice: No

Ages catered for: Starting in March 2019

Services offered: Play Therapy and counselling

Personal Profile:

I have over 12 years of experience in areas such as family counselling, HIV/AIDS counselling, child counselling, geriatric counselling, women's health related issues and mental health and well-being (schizophrenia, depression, anxiety and stress). Recently I have started working with special children, helping them improve their communication, social interaction and emotion management. I see play therapy playing a very important role in this.
