**Personal Profile:**

Prerana Saini is an Occupational therapist and has an experience of 7 years in this field. She has completed Master of Occupational Therapy in Neurology (MOT) from Guru Gobind Singh University (New Delhi-India) in 2009 and Bachelors in 2007 from DAVV -Indore (MadhyaPradesh -India). She is a member of the All India Occupational Therapist Association (AIOTA). She is a certified sensory enrichment practitioner and AMPS Rater.

During post-graduation, she submitted her research dissertation on the topic “ To find out the correlation between the severity of autistic kids and their parental stress”.

She is working as an occupational therapist at the Child and adolescence mental health service(CAMHS) within Hamad Medical Corporation since 2014. She commenced a new program in 2017 called “Summer Camp”. It was designed to provide a safe and secure environment for mentally ill children into their community or society.
