**Personal Profile:**

Sunderji's Global Academia is an education centric institution since 1996. Founder Members Ms Jena Sunderji, Ms Malek Sunderji and Ms Zarina Sunderji along with Founder Member and Director Mrs Masarrat Tavawalla have created an optimal learning environment for students, and also understands that each student learns differently. Living up to its motto of 'Educating, Enlightening & Empowering', we believe in youth empowerment, as they will be the influential leaders of positive change. Under Sunderji's Global Academia banner there is an inclusive kindergarten, Sunderji Nursery School. We also have a special school, Sunderji Institute of Special School, from K1 – Grade 12 dealing with children on the wide disability spectrum. To support children with mixed disabilities, Sunderji Early Intervention Centre is established that provides Remedial Education and Therapies on one-to-one basis. To complement it Sunderji Teachers' Training Institute is founded, which offers one year NCTE certified course in Primary Education. Attached to the banner is Suyog Sunderji Wisdom School, a full-fledge CBSE School with classes from K1 – Grade 8.
