Personal Profile:

Jaiee Ajit Kolwankar completed my Bachelors of Occupational Therapy from Seth G.S. Medical College & KEM Hospital, Mumbai under Maharashtra University of health Science [MUHS] and went on to continue my education further to secure Master of Occupational Therapy from Manipal Academy of Higher Education [MAHE], Karnataka, specializing in Developmental Disabilities.

As a part of my training, I have been trained in a family-centered holistic approach, working in a multidisciplinary facility . I have experience working with children of all ages, adolescence and adults focusing on abilities to help them participate in activities that help them learn, enjoy and develop life skills. Currently, I am undertaking a play therapy certification. I work closely with family to develop a plan based on the family's priorities, child's strengths & challenges and the environmental context. My 3 years experience of working with pediatric population with varied

needs involved working on their gross & fine motor skills, cognition & perception, social & behavioral skills.

My aim is to make therapy fun and playful to the clientele whilst it is also wholesome. I am passionate about reaching out to maximum people through her services.
